## Patriot Series

Powerful - 24Volt 20 Amp

Light Weight - only 3.2 lbs

Compact - 5.03W x 3.07H x 9.1L

- High Efficiency Design - Amperage does not taper
- Selectable Algorithm
- Zero Spark Technology
- Reverse Polarity Protection
- UL/CSA Recognized
- 120V or 240V models available

Input: 120VAC, 60Hz Output: 24VDC, 20A

Input Cable Length: 18 inches

Output Cable Length: 6 feet
